Dear Ms. Ruginiene,

We acknowledge receipt of your letter on the management of Lithuanian state forests and OECD recommendations dated 7 March 2016. We take note of the information therein and have shared the letter with the colleagues of the Secretariat who were involved in conducting the Lithuania review under the *OECD Guidelines on Corporate Governance of State-Owned Enterprises*. They will make your viewpoints known to the Corporate Governance Committee and its Working Party that are responsible for assessing Lithuania's corporate governance in the context of your country's accession process with the OECD.

Yours sincerely,
